

THE YES MEN

@ NONSTOP

LIVE via SKYPE!

Environmentalist, filmmaker, performance artist and prankster Mike Bonano of the Yes Men will appear live (via Skype) to dialogue with the audience at Nonstop on Thursday evening, December 17 at 7 PM. (\$5 admission)

In addition to screening some of the Yes Men's rarely seen (and undistributed) early work and responding to viewers' questions, Mike will conduct a workshop with those attending to generate plans for a project in the Miami Valley. Don't miss this local engagement with the Yes Men!
